Thank You

Parents,

We would like to extend a massive thank you for all the support during these times...we made it!

We are so proud of our learners' dedication, determination, "doing differently" and embracing change. We could not have done this without you the Parents, and we once extend our gratitude for your commitment to the school.

We hope our learners have a well-deserved break.

School Closes

MG

A friendly reminder that school closes, tomorrow, Friday 14th August at 11:00am. Please make sure that if your child makes use of a transport service, that they are made aware of the collection time.

School will reopen on Tuesday 1st September.

A gentle reminder that we will continue to wear CIVVIES however; ALL school rules (namely hair and nails); and COVID-19 protocols remain enforce and in place upon our return.

Please be advised that no online learning will take place during this time and our teachers will not be available for communication/comments.
