Update

Dear Parents;

Thank you for the support throughout the year and through this pandemic. We are very grateful that this term has seen majority, if not all, of the children return to school this term and that our COVID-19 protocols have been followed, without complaint and have proved efficient.

The return of all the children to school has been wonderful. It is undebatable that the face-to-face interactions with children is best.

As a result, a decision has been taken to phase out and dramatically minimize online learning. In instances where learners are ill we will implement the schools prior procedure relating to absenteeism.

Children will be required to catch up and complete the work upon their return to school. However, in instances where isolation or illness is as a result of COVID-19 the school will engage with parents around an online solution.

Google Classroom and Zoom has proved to be a fantastic resource and children's logins and emails will be maintained and additionally can and may be used going forward. Details of which will be communicated as necessary.

We truly thank you for your support in this regard.

*Thank
You*

General

Please may we request that if a learner choses to wear uniform, it is the entire and correct uniform. We ask that you please do not have mixed matched items of uniform with civvies. Additionally, if uniform is worn, it cannot be worn in consecutive days.

We kindly request that appropriate attire is worn in terms of Civvies and that no “short” shorts, short skirts, tank tops, halter necks and “hot” pants are worn.

Your support in this regard is truly appreciated.

School Holiday

Parents, please take note that Thursday 24th September is a Public Holiday as South Africa celebrates Heritage Day.

Friday the 25th September, is a school holiday and school will be closed.

School will finish **normal time** on Wednesday 23rd September.

We hope our learners enjoy the long weekend.

Thought for the day...
